REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art made of record fails to disclose or suggest a method and apparatus for detecting a voltage of a battery device having, *inter alia*, a feedback circuit for injecting an increased current generated by the current source reference as the second voltage approaches the threshold voltage whereby the accuracy of the voltage detection is increased as the second voltage approaches the first voltage.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to the Examiner at the below-listed number.

Any inquiry of a general nature or relating to the status of this application should be directed to the receptionist whose telephone number is 571 272 2800, Monday-Friday, 830am to 5:00pm, EST.
